

WHO WE HELP

Answer vendor, tenant, and executive questions faster.

Owner-ready building technology records for Property Managers

Field-verified documentation that helps property-management teams respond faster, coordinate vendors better, and reduce confusion across the building.

Why it matters

Reduce time spent
chasing records

Give vendors a
cleaner baseline

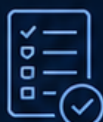

Support tenant work,
takeovers, and upgrades

What it helps with

Closets, head-end,
and system context

Verified device and
system counts

Exceptions and
support gaps

Cleaner handoffs
across teams

Best fit

Tenant Turnover

Support Contract Review

Vendor Coordination

Building Refresh

Typical deliverables

PDF Report

Floorplan Overlays

Device Schedules

Risers / One-Lines

Exceptions Log
