

GLOBIN
ENGINEERING

BUILDING TECHNOLOGY. DOCUMENTED.

PRICING OVERVIEW

Discovery / Scoping Assessment

Fast discovery to define scope, complexity,
and next steps before a full engagement.

STARTING AT

\$750

The right first step when current conditions
are unclear and you need a defined
roadmap before committing to a larger
documentation package.

BEST FOR

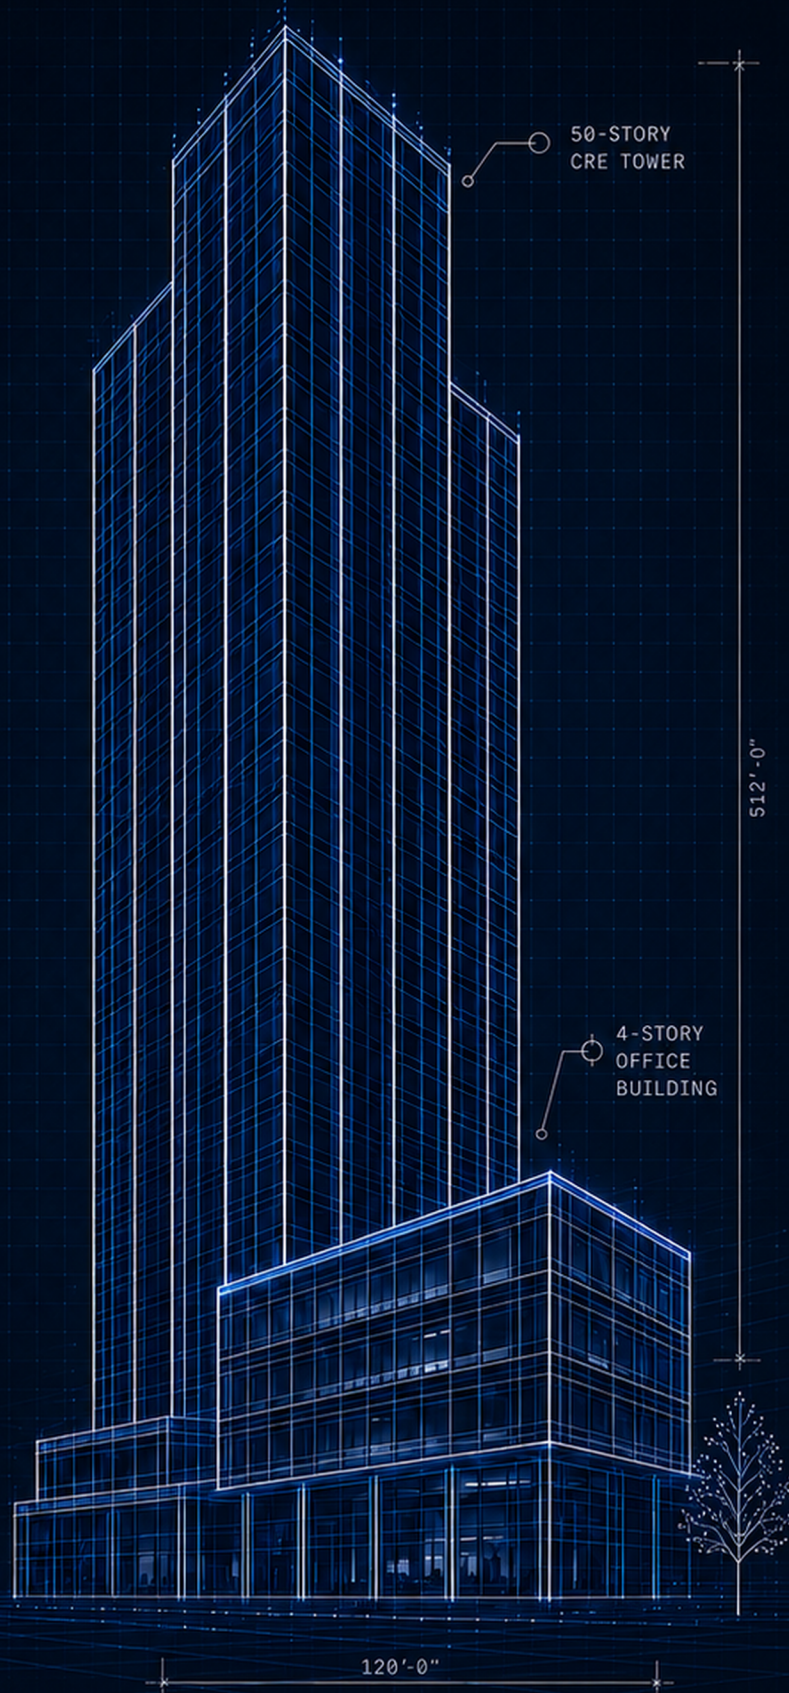

- Early-stage diligence
- Budget planning
- Undocumented conditions
- Vendor takeover preparation

INCLUDED DELIVERABLES

- Site review
- Preliminary system inventory
- Scope memo
- Recommended package path

AVAILABLE ADD-ONS

- Full documentation package
- Dashboard add-on
- Lifecycle review
- Capital planning support
