

GLOBIN
ENGINEERING

BUILDING TECHNOLOGY. DOCUMENTED.

CORE DELIVERABLE

Owner Record PDF Report

A professional field-verified report package built for clarity, continuity, and confident decisions.

What you own, documented.

This is the primary PDF deliverable clients use to understand existing conditions, building technology assets, and open issues—organized, verified, and ready for action.

WHAT YOU RECEIVE

- Executive summary
- Floor plans
- Device schedules
- Risers / one-lines

WHY IT MATTERS

- Faster vendor onboarding
- Better budgeting
- Cleaner takeovers
- Stronger owner-side records

COMMON USERS

- Owners and REITs
- Property managers
- Facilities teams
- Security and technology teams

Building Technology. Documented.
